

Mother's Comfort Project Westchester: Helping shelter & rescue animals.

On Saturday, September 28th, Linda Speidell, owner of Fabric Mart in Yorktown Heights, NY hosted Liz Peterson, of Dancing for Animals, and 12 volunteers (including 2 Fabric Mart staff: Erin Brophy & Carrie Vollrath) for another Rational Animal Mother's Comfort Project Westchester event! Together, they produced 131 beds and 123 catnip toys for shelter animals! The beds and toys are being donated to It's Reigning Cats & Dogs, the Yonkers Animal Shelter, New Rochelle Humane Society, Adopt-A-Dog, Little Orphan Animals, Pets Alive Westchester & Mid Hudson Animal Aid.

A huge thank you goes out to Linda Speidell for her gracious donation of the Fabric Mart workshop space for this event and her staff for their support. Thanks to Susan Brandt and everyone at Rational Animal for their incredible Mother's Comfort Project. And thanks, as always, to all the volunteers for their amazing work!
