

## Mother's Comfort Project Westchester: Helping shelter & rescue animals.

On Sunday, December 15th, Erin Brophy Fabric Mart manager, opened the store doors for us to hold a special 4 hour sewing session for the New Rochelle Humane Society. We had a great time, as always, and sewed 98 beds for the New Rochelle animals! We were especially pleased to have Susan Brandt, founder of Rational Animal, join us for the session!

A huge thank you goes out to Linda Speidell for her gracious donation of the Fabric Mart workshop space for this event. Thanks to Susan Brandt and everyone at Rational Animal for their incredible Mother's Comfort Project. And thanks, as always, to all the volunteers for their amazing work!
